

Your visit to Immergut

Immergut GmbH & Co KG is a food company certified in accordance with IFS and BRC standards and subject to the Food and Feedstuffs Act (LFGB) for the production of safe food. To prepare for your visit and ensure that everything runs smoothly, we would like to familiarise you with a few important rules of conduct, hygiene, and safety in advance.

We look forward to welcoming you at our plant!

Please sign in at our registration desk at the agreed time. The visitor parking spaces are directly opposite.

Please note that due to the current Covid-19 pandemic, admission is only possible with a negative Corona test result. Preferably bring this with you to your appointment (rapid test is sufficient, not older than 24 hours). If this is not possible, you can also have the test carried out at our premises. Please sign in at our registration desk at least 30 minutes before your scheduled appointment.

If your arrival is delayed, please contact us. You can reach a member of staff at the registration desk on +49 (0) 66 61 / 155-0 and inform them of your estimated new arrival time.

At the registration desk, you will be greeted by our employees and receive a short briefing on topics relevant to safety and hygiene.

A few important hygiene and safety instructions in advance:

- If, within the 48 hours before your visit, you have fallen ill with a contagious disease within the meaning of §42 IfSG (Infection Protection Act; skin diseases such as eczema, infected wounds, and infectious gastrointestinal diseases), we will not be able to receive you and ask you to refrain from your visit. We would be happy to arrange a new appointment with you.
- Smoking is only permitted on the premises in the designated area outside the buildings.

Visit incl. factory tour

- Protective and hygienic clothing will be provided.
- Please wear flat, closed shoes and long trousers for your own safety.
- Wearing watches and visible jewellery (including piercings) is not permitted in the production area and workshops. You may hand them in for safekeeping at the reception desk.
- If you have false or painted fingernails, disposable gloves must be worn in the production areas.
- It is not permitted to take medicines or objects made of glass/wood with you into the production or storage areas.

If you are here for a full-day visit, we will arrange lunch for you. Please let us know of any existing food allergies/intolerances in advance so that we can take this into account during planning.

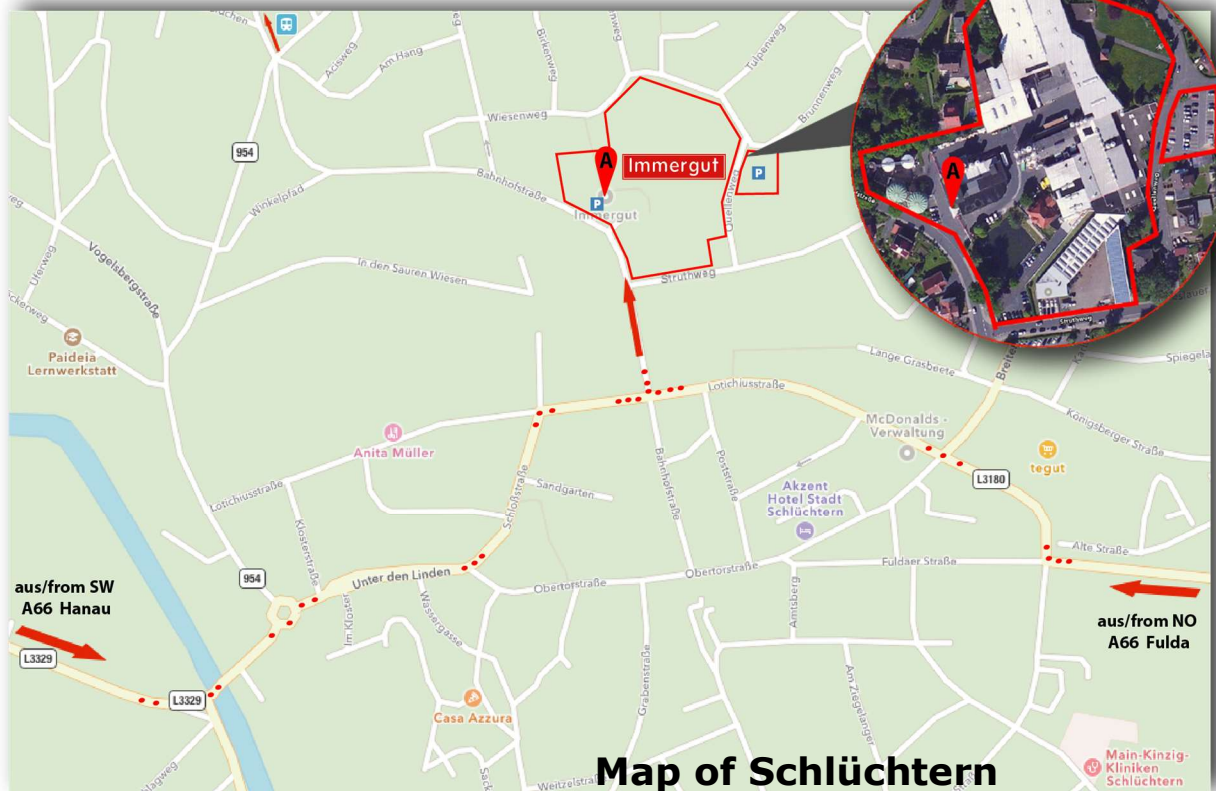

If you need information about accommodation or taxi companies or have other questions about your stay, please contact the registration staff (+49 (0) 66 61 / 155-0).

**We look forward to your visit and wish you a pleasant stay at
Immergut GmbH & Co. KG**
